Goddard Riverside

INVESTING IN PEOPLE, STRENGTHENING COMMUNITY

Who Are We

Green Keepers is Goddard Riverside's small business that provides horticulture, sanitation and pest control services throughout the New York City area.

Green Keepers was established in 1995 and operates under TOP Opportunities (TOPOP), Goddard Riverside's job employment program.

Green Keepers offer horticulture services including tree pit renovations, garden preparation, planting, and watering for public, commercial and residential properties.

We also provide general street sanitation services and indoor maintenance. Green Keepers is a designated installer of the Xcluder and Xcluder GEO product lines, a non chemical, permanent, eco-friendly solution to rodent control.

Our experienced team can meet your specific project needs or complement current, ongoing services. Green Keepers' crew members are available as a team or individually. Each team is lead by a experienced crew leader who ensures that each project is completed to the highest standard.

What The Community Is Saying...

Lincoln Square Business Improvement District

"I was struck by how immaculate the Broadway malls are, which in large part is due to the effort of your crew." - *Monica Blum, President*

Broadway Malls Association

"The group has performed wonderfully and it has been very satisfying for us to work with the team." - *Bob Herrmann, President*

East 86th Street Association

"Green Keepers worked diligently to beautify our neighborhood." - *Susan Gottridge, Vice President*

Riverside Park Conservancy

"We are extremely appreciative of the Green Keepers contribution and look forward to continuing to work together... to better the ecological health of the park."
- *Debra Sheintoch, Director of Volunteers*

Salvation Army/ Williams Memorial Residence

"We were so pleased with the wonderful work and excellent guidance that you gave to our roof project. We will look forward to working with you next year." - *Major C. Bryant, Administrator*
