INVESTING IN PEOPLE, STRENGTHENING COMMUNITY

August 10, 2023

Hi Families,

We hope everyone is enjoying the final weeks of the summer season and staying safe. We are pleased to announce the opening of registration for our Beacon After School for youth in Grades K-8. We are looking forward to working with you and the families this year to ensure an engaging and enriching learning experience for all. The program is currently scheduled to begin on Monday, September 18 and operate daily M-F, 2:30pm-5:30pm. Registration and enrollment is guided by our capacity. We have limited space, so we encourage families to register as soon as possible. **Preference will be given to our year-long returning family members who register before September 4.**

For Grades K-5, we are scheduled to pick-up participants (pending enrollment) from PS9, PS75, PS84, PS163, PS166, PS333, and Alexander Robertson School. Others and Middle School youth must make their own arrangements to arrive at the school.
