INVESTING IN PEOPLE, STRENGTHENING COMMUNITY

August 12, 2024

Hi Families,

We are pleased to announce the opening of registration for our Beacon After School for youth in Grades K-8. The online portal will be open shortly. We are looking forward to working with you and the families this year to ensure an engaging and enriching learning experience for all. The program is currently scheduled to begin on Monday, September 16 and operate daily M-F, 2:30pm-6:00pm. Registration and enrollment is guided by our capacity. We have limited space, so we encourage families to register as soon as possible. **Preference will be given to our year-long returning family members who register before September 4.**

For Grades K-5, we are scheduled to pick-up participants (pending enrollment) from PS9, PS75, PS84, PS163, PS166, and PS333. Others and Middle School youth must make their own arrangements to arrive at the school.

Please Register online at discoverDYCD:

1. <https://discoverdycd.dycdconnect.nyc>
2. Search Programs or enter our pin: **BEA-82982; continue and complete all information.**
3. To register, you will have to log in or create a new log in
4. Download and complete health form (dated within one (1) year) *attached
5. If you have issues accessing the online portal, you may obtain and submit a paper registration package from our office (B2) or email (**Office Manager, Angelica Gomez, agomez@goddard.org**, and copy Roy Baptiste rbaptiste@goddard.org and Chantel Roberson (croberson@goddard.org)).

We will begin enrolling registered participants in early September up to our capacity and grade bands. Families will be notified about acceptance and additional information will be sent out at this time.

Thanks for your cooperation and support.

Sincerely, Roy Baptiste, MS. Ed. Program Director rbaptiste@goddard.org
